Kneeling down in front of him, I unzipped his pants and pulled out his large, erect cock.

Sliding my lips over the wet end of his shaft, I slowly took his cock in my mouth and sucked back and forth.

He rubbed my breasts, rolling my erect nipples between his fingers and making me moan. As he lay on the couch I lowered my pussy onto his lips.

He sucked me deep, sliding his tongue in and out of my hot pussy. He was close to

creamy load all over my tits. He lay back to recover as I went upstairs to clean up.

My husband decided maybe it was a good idea for me to dress like I was, and that we should take a camera. We were both turned on as we left the house.

We headed out to the hills and through the winding lanes until we found an ideal spot. It was an isolated country park with a gravel car park.

There were two cars parked in the car park but there was

My husband decided the other day that we should go out for a run in the car. It was a lovely mild spring day with the sun shining.

I decided not to wear too much, so I put on my stockings and blue basque under a coat. I entered the living room and opened my coat, flashing my tits and shaven pussy.

To my surprise I could see I was making my hubby hot in his trousers. He told me I

BUNGA BUNGA BABES!

Passionate, beautiful, dangerous – we love Italian women. Are they going to kill you with a knife in the back for looking at another woman, or do it more slowly with daily spaghetti carbonara and aubergine parmigiana? Valentina Nappi (left) is the smouldering-eyed, smudge-lipped star of *Italian Bellas*, the Sophia Loren of shagging whose hot anal scenes will make your cock an offer it can't refuse – to get it out right there and then and start wanking. For those chaps who prefer Italian women when they've gone a bit more leathery but draw the line at burbling moustachioed harridans all dressed in black, there are some raunchy, anally perverted Italian MILFs to get into as well. *Mamma mia!*

to care about them.

My husband grabbed me around the waist and started feeling my arse and rubbing his hands up and down the insides of my thighs.

I knew what he really wanted and it wasn't long before he slid his finger into my wet pussy. He told

me I was soaking wet and I needed his hard cock.

I opened his zip and pulled

his knob out. I bent over on all fours and he got behind me and rammed his cock deep up me.

I slid back and forth on his shaft in ecstasy as his balls slammed against me. Then he pulled his cock out, turned me round and shot his load into my mouth.

After I'd swallowed every drop, I noticed we had an audience. They shouted over that they had enjoyed it, and maybe next time they'd like to join in.

We shouted back that if the weather was fine we'd be here again next week. My pussy was still throbbing when we got home, where my hubby filled it once more.

no sign of anyone about. We got out of the car and decided to have a look around.

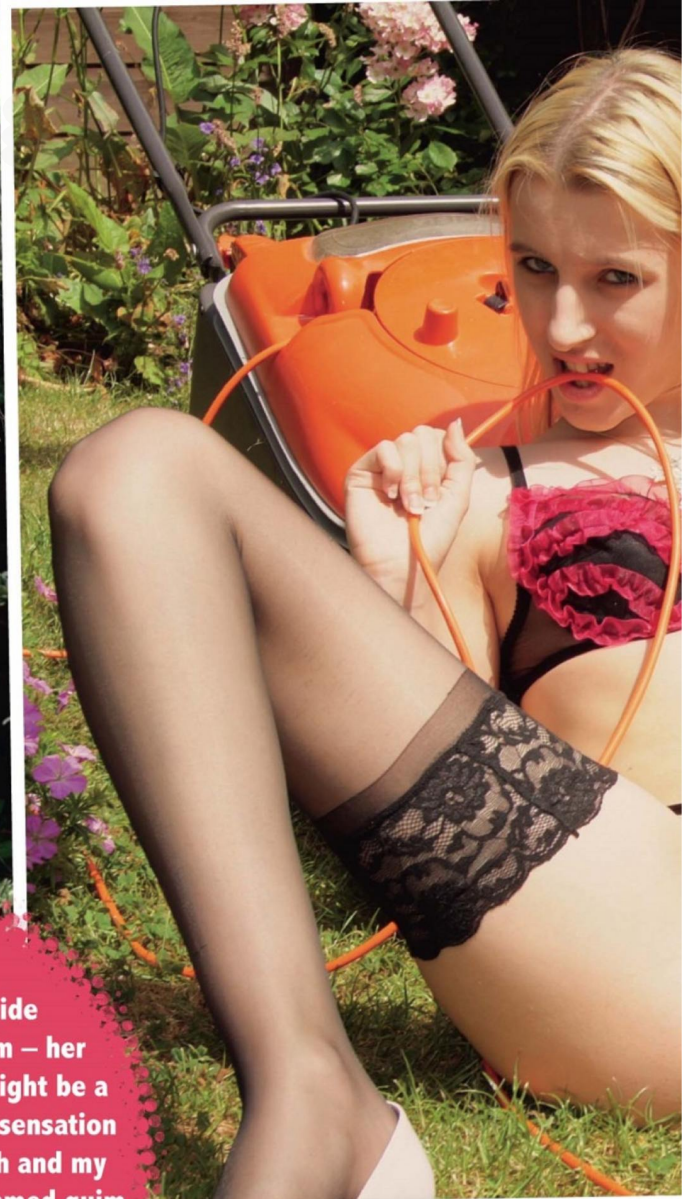

Sure that was nobody was looking, I opened my coat and flashed at my hubby, knowing full well I would get him hot and horny.

He took a few photos of me opening my coat and then decided it was time to lose the coat all together. I bent over and he took some shots of my arse as I opened my pussy lips.

I could see in the distance a few people approaching but I was enjoying myself too much

The Flymo might be a bit excessive though. “The sensation of hot sun on my bare flesh and my neighbours’ eyes on my trimmed quim is just gorgeous. What's the difference between your wheelie bin and your wife?

You only have to take a wheelie bin out once a week.

Why were men given larger brains than dogs?

To keep them from humping the leg of every woman they fancy.

How do you get rid of a nun's hiccups?

Tell her that she's pregnant.

Why do you get paid more for donating sperm than donating blood?

Sperm is handmade.

Why don't cannibals eat clowns?

Because they taste funny.

What does toilet paper have in common with the Starship Enterprise?

They both circle Uranus looking for Klingons.

Why do men generally die before their wives?

Because they want to.

TRUE CONFI

TRUE CONFI

BLOCKBUSTER MAY BE GONE, BUT DONNA'S DIRTY DVD SERVICE IS STILL GOING STRONG

My partner Tim and I have been into the swinging scene for about five years now – and we've only been together for six!

We've done a bit of dogging, plenty of wife swapping, quite a lot of swinging via contact mags, and also at certain sex clubs. We've also had quite a lot of exhibitionist sex: fucking in places where we knew we'd be caught, like at bus stops or in view of a fairway of a golf course!

We have had some great fun in all our sexual adventures (which is why I'm writing in to tell you about one!), but there's always one particular problem that always restricts what we get up to – the area we live in is fairly remote and it has a really close-knit community. In other words, everybody knows everyone else's business!

Although we're in no way ashamed of our lifestyle, there are people in the community who wouldn't approve and, as we have jobs and kids to think about, we're not about to go public! This means that if we fancy any swinging or dogging action, we have to sneak off for a dirty weekend. That's fine, but there are limits to how often you can get away, and also for how long, so we came up with our own little solution! Now, I'm sure if you print this letter, a load of your readers will have already been doing this, but we had only just thought of it and it's working well for us!

Our little hobby is swapping videos (well, they're DVDs actually, but you know what I mean) with other couples, of Tim and I screwing each other in various guises and positions. We send a DVD to them, and they send one back of them fucking. While

it's not the same as being able to meet them in the flesh, it certainly helps to keep things interesting!

This one couple that sent us a disc seemed like they were very well matched for us. Karen was curvy with big tits, and I knew Tim would like to dig his cock deep into her. Her husband Dennis was right up my street, too. We shagged so hard while watching Dennis fuck Karen's cunt, and then her arse. Tim flipped me over when Dennis swapped holes on screen, and stretched my tight arsehole too!

It was so good seeing Karen bent around Dennis's body as his cock plunged deep into her holes, that we contacted them again to see if they wanted to meet up with us, and get it on for real. They did, and they asked us to bring our DV cam, as they wanted to film the whole thing!

We arranged to meet at a hotel half way between us as they lived quite a long way off, and when we all arrived, we found that we got along like old friends – so much so, that after a couple of drinks we retired to their room. The guys set up both cameras while Karen and I chatted away. Once the cameras were all in place and filming, Karen and I began kissing and undressing each other.

FESSESSIONS

We were both extremely turned on, and nothing felt forced – it all felt very natural. It was really nice to gradually reveal her curvy form and feel it for the first time. We were both eager to taste each other, so I clambered on top of her on the bed, so we moved into a sixty-nine.

Her shaven pussy tasted just as good as had imagined as I had watched her on screen, and I enjoyed hearing her emit a small moan as I licked over and around her love bud. I glanced over at the guys, and it looked like they were ready to join the action, both starters and both wanking away at their erect pricks.

After Karen and I had eaten our fill, I grabbed Dennis and kissed him. Then I slithered down his standing body to his beautifully hard cock. I licked along its length, and then sucked as much as I could of it into my mouth. I sucked his cock for a while, concentrating so hard on it I lost a sense of how long – or even that Tim and Karen were also in the room!

Self-conscious now, I stopped my sucking and Dennis seemed to take that as a cue to flip me over and onto all fours on the floor. Now I could clearly see my boyfriend and Dennis's wife; Karen was kneeling on the floor and Tim had his

cock in her cleavage getting a tit wank! It was a sexy sight, and I wondered what it would look like on screen later. Just as I was considering that thought, Dennis's cock rocketed into my snatch making me gasp with both surprise and delight! Obviously sensing how I like to be shagged, he rammed into me hard and steady, rocking me forwards and back with the sheer force of it. I used one hand to twiddle my clit too, all the while watched Tim and Karen.

Karen was on her back on the bed, now; she lifted a leg over

Tim's shoulder as he stuck his dick deep into her. I watched them fuck as Dennis rhythmically pounded into me – it was so hot that I wanted to savour this moment! That did it, and I felt myself coming, my moans starting to get a bit louder, panting and groaning as Dennis's dick worked to get me there.

Karen was all red faced, having climaxed, trembling, on my man's dick. I wasn't going to be far behind, and finally began cumming just as I saw Karen swallowing Tim's full length into her mouth! As I reached the end of my orgasm I felt Dennis pull out of me, before a warm gush of jizz covered my arse cheeks. I rested a few seconds and watched Karen take Tim's load over her face – which was the most incredibly sexy sight!

It was a great night – and Dennis edited the footage from both our cameras into one excellent DVD. It's definitely the hottest in our collection and I would fully recommend the experience to anyone!

Donna, Doncaster

"I WATCHED HER TAKE HIS LOAD ALL OVER HER FACE"

First timer Katie has never done anything like this before. "I've been married for three years and have only ever gone with one guy – my husband. But now we've split up and I feel like going crazy. Marriage was so boring towards the end. There's so much I want to try – cocks mostly, and more than one at a time!"

Taking it up for lost time

I recently enjoyed an extremely erotic and kinky experience that your readers may wish to hear about.

My wife Bridget and I have been together five years, during which time sex has been a major part of our relationship.

Before me she had few sexual experiences, but she has a very erotic mind. She has always admitted fantasising about me fucking another girl while she watches.

She has also often said that she wished she had screwed more men in the past, and that just the one man

cannot satisfy her.

In fact, she has lots of sex toys and she can have multiple orgasms and still want more – I'm talking nine or ten in a row!

Anyway, we recently went to a party where the booze flowed and inhibitions were shed. My

partner danced with several blokes and I noticed her copping a grope of them too.

Eventually she confessed

to me it was a fantasy of hers to fuck me in a house full of people where there was a chance of being caught.

With that, we went upstairs.

It was amazing. She tied me to a wrought iron bed and fucked my brains out, but this was only the beginning of my experience.

After I filled her bald cunt with spunk, she got off me, dressed and left the bedroom. I felt like a total dick head, tied up and at risk of being found.

However, after a little while she came back armed with not one, not two but three of my mates! After the initial shock of being caught wore off, Bridget got on all fours

and kissed me.

She told me she loved me but wanted to fuck them. Then she turned to the blokes and asked who fancied their chances. All hell broke loose.

Trousers and shoes came off in a blur and the next thing I knew Bridget was sucking on a hard cock while being fucked from behind.

She turned to me and told me she'd sort me out when

she'd finished with them. John soon filled

her cunt when he realised he'd be mixing it with mine up there.

After that she asked Mike to spunk up her cunt,

my mouth and told Mike to stand behind her and fuck her. I could see his big cock stretching her lips as the other two cheered him on.

Mike thrust all of his big long cock into her and at the

“The next thing I knew my wife was sucking cock while being fucked from behind”

and these words were enough to make Steve fill her mouth with a load of his thick jism. She was loving it.

By now my anger had turned to ecstasy and my cock was harder than ever before. She saw that I was ready, untied me and pulled me lower onto the bed.

She then lowered her sticky box onto

same time she sucked me off furiously. I sucked on her clit and I could see her hole being fucked.

Suddenly Mike filled her cunt with cream. Then she turned to me and told me to fill her mouth. I just erupted over her tongue and she swallowed every last drop.

She told me it had been pure sex and it was me she loved. She's a woman and a half my missus!

Cumming out of the closet

On a recent weekend break to Scotland, my husband Alexander and I decided to live out our biggest fantasy.

This was for Alexander to hide in the wardrobe while I went out and pulled two blokes, brought them back and fucked them silly while he secretly watched.

I got ready in our hotel room, getting out my best pulling outfit. I was definitely up for it as I kissed horny Alexander goodbye and walked downstairs to the bar with no

knickers on.

I scanned the room and at the end of the bar I saw my potential fucks. I work in sales so I have the gift of the gab, and after ordering a drink I joined the two lads.

Three hours and several bottles of wine later we were talking like old friends, and I steered the conversation towards sex and sexual fantasies.

I told Stuart and

"I knew my husband's eyes would be glued to my fuck hole as it was penetrated"

Ryan that at that very moment I was acting out my fantasy of picking up two guys

in a bar and taking them back to my room for a good fuck.

This obviously excited them both, and I too was getting horny. My pussy was dripping wet as I ordered another bottle and told the boys to follow me.

I led them to my room. Making sure the lights stayed on, I told them both to strip naked and sit on the side of the bed (facing Alexander in the wardrobe).

I took a cock in

each hand and started sucking and waking them. I was in my element with two big cocks to play with and my husband watching me.

I started to deep throat Ryan, knowing this would drive him wild as well as my husband.

Then I stood up and asked who wanted to lick my pussy. Stuart was the first to volunteer so I sat on his face.

He clamped his hands around my waist and I relaxed, allowing him to drink his fill. Then I swivelled into the 69 position with Stuart and Ryan stuck his cock up me from behind.

What a feeling it was to suck a big cock, get shagged from behind, get my cunt plated and have my husband watching the whole thing.

All these sensations combined to give me a

tremendous orgasm, my whole body shaking. Ryan was not far behind me, spurting over my back.

After that I wanted Stuart's cock. He lay flat on his back

my holes.

We fucked away for another hour, cumming until we could cum no more. Then Ryan and Stuart dressed while I cleaned myself up in the bathroom.

“I bet he had a good view as two cocks pounded in and out of my holes”

and I straddled him. As I sank down inch by inch upon his cock, I knew Alexander's eyes would be glued to my fuck hole.

While I rode Stuart, Ryan came over and stuck his cock in my mouth. When I had made his cock very wet he got on the bed behind me.

He told me to lean forward and then he slowly entered my arse. I bet Alexander had a right good view as two cocks pounded in and out of

The lads thanked me for a great fuck and I kissed them goodbye. As soon as the door shut Alexander burst out of the wardrobe, grabbed me and lifted me onto his throbbing hard cock.

He fucked me long and hard right up against that wardrobe. Ever since that night our sex life has been electric!

Sometimes parts of your sex life ARE best left in the closet!

Billy & Mercedes

she danced, I found myself holding out twenty quid, to tip her. I'm a sucker for brunettes, and was chuffed when, after her stint on stage, she found her way to my table. She went by the name Mercedes and it turned out that this was only her second day working there. We chatted for quite a while and finally I asked her for a lap dance. She agreed and soon took me to the back of the club.

Sitting me down, she removed her top and then she climbed onto my lap, straddling me and grinding her pussy

against my crotch. She would rise up onto her knees and drag her nipple across my face, and across my lips.

Occasionally, she would get up and turn around and start grinding her ass against me. I was so hot from what she was doing that I couldn't help myself, and my hands started moving. She didn't seem to mind, and as she sat on my lap grinding against me, I moved them up to her naked tits, squeezing them gently.

When the song ended, I tipped her and got up to leave. I was absolutely gobsmacked when she asked if I had to go home yet. Hoping that this meant I was in, I told her I'd wait for her to finish her shift. So, for the rest of the evening, unless she was on stage dancing, Mercedes sat by my side, chatting with me. The night quickly came to an end, but when I got up to leave Mercedes asked me to wait for her as she packed up. She soon returned and I walked outside with her.

Once we left the club, she completely changed into a different person; she suddenly seemed energized and playful. She invited me to come over to her place for a while and hang out, to which I quickly jumped at. I followed in my car her to her place, and once we arrived, she said she needed a quick shower and told

I have two major fetishes. One is for knickers, and the other is watching women strip.

Recently I found myself home, alone, and horny as usual. I spent a fair amount of time surfing the web for porn, and although the porn was good, it really wasn't satisfying that desire that I had. I needed something more, the more that I looked at the porn, the more that I realized I wanted to see these women in the flesh. Soon I found myself in the car, headed toward a strip club.

After driving for about an hour I found myself in a seedy place in the city centre. I found a seat near the stage and sat back to enjoy the view. Most of the girls were

cute, but I didn't see anyone that really did it for me. However, it wasn't long before a stripper came out onto the stage – a firm-boobed blonde, who had a look in her eye that I really liked. As

me to make myself at home. She didn't take long, and about 15 minutes later she returned wearing a silky robe, and looked wonderful. She sat down on the couch next to me and started chatting, but quickly the topics were forgotten when she started kissing me. Soon, she was unbuttoning my shirt and, as she climbed onto my lap, I reached down and untied the belt holding her robe closed, revealing a blue corset, with matching g-string. I grew instantly hard, and she began grinding against me.

I cupped her tits through the material, pinching her nipples, but she soon pulled away, took my hand and led me down the hall to her bedroom. As we arrived in her room, she let me make quick work of removing the corset and she was left in just her g-string. Mercedes approached me and released my belt, and soon, my trousers were in a heap on the floor.

Leading me to the bed, she had me sit down on the edge, spreading my thighs apart, as she got down on her knees in front of me and started kissing my legs, her hands massaging my cock through my underwear. Moving

closer and closer to my cock with her kisses, she was soon kissing my engorged member through the thin material. Hooking the elastic

“Locking eyes with me, she continued to pump her mouth round my cock”

with her fingers, she gingerly pulled my pants down and slowly started licking my prick, starting at the base of the shaft, and dragging her tongue teasingly and slowly up the length before starting again. She teased me like this for a while, and just when I thought I couldn't take her teasing anymore, she let my cock slide into her warm mouth. Massaging my member with her lips, sucking on it, and circling it with her tongue – it was all a bit too much for me and I warned her I was about to cum.

Locking eyes with me, she continued to pump her mouth and hand rhythmically and, as predicted, my cock began to twitch and spasm, and soon it

shaven, and looked so good. The aroma coming from her knickers had me turned on, but I held strong and kissed lightly over her mound, and then down her leg, tracing the path of her knickers as I removed them. Soon they were off, and I started my assent back up her legs. My kisses quickly reached her inner thighs and the aroma of her fanny made me want to dive in.

I slipped my tongue gently between her labia lips and as I delved deeper, Mercedes shifted her hips against my mouth grinding her clit against my tongue. I licked away, my pressure growing with each lick, and soon I was practically snogging her pussy; her hips began a rhythmic grind with my mouth as if she were kissing me back.

I reached up below my chin with my hand, and found her snatch dripping with desire. She offered no resistance as I slipped a finger deep inside of her, so I slowly pumped it in and out. She had her hands locked to the back of my head, and from her moans I could tell she was nearing

was spraying loads of jizz into her mouth, which she greedily swallowed, licking her lips.

When I'd sufficiently caught my

and sucking her breasts, taking each nipple into my mouth, and circling it with my tongue, feeling it grow hard.

Slipping my fingers under her knickers, I slowly pulled them down to expose her pussy to me for the first time.

Her lips were together, clean

“She rode me, fucking me for all she had, her hands on my chest, mine on her tits”

breath, I asked her if she'd like me to return the favour. Mercedes nodded, grinning at me, so I slowly climbed down her body, kissing every inch of exposed skin that I could find. I spent a few minutes just kissing

orgasm. I continued to suck, and lick, and soon, I could feel her body tense up, her back arch, and a low, guttural moan escape her mouth. I could feel her muscles clenching down on my finger begging it to keep moving. I did just that, plugging away despite my digit getting cramp! As the waves of her climax faded, she pulled me by my head back up to her mouth.

We kissed, hard, the taste of each of our fluids on the other, my cock dancing at the lips of her pussy, now fully hard again, begging to get to go inside. As we snogged, she reached down, guiding my cock into position and slowly pulled me tight against her.

Her cunt felt incredible – warm, wet and tight – and as my cock slipped inside of her, I could feel it holding on to me, wanting me deep inside. Groaning loudly as I filled her completely, Mercedes bucked her hips against mine, in complete control of the tempo. We moved from position to position, some I'd never tried before, and as our orgasms were closing in on us, she flipped me on my back, and climbed on top of me.

She began riding me, fucking me for all she had, her hands on my chest, mine on her tits, her hair hanging near my face, so I wasn't at all shocked when my

cock erupted, the convulsions pumping cum deep inside of her cunt, and soon she was in the throws of her orgasm as well; her back arched, her nails dragging down my chest, her moans of pleasure filling the room.

As we calmed down, we embraced and made out, but I was surprised was when Mercedes snuggled up to me and fell asleep on my chest.

As I stroked her hair, I couldn't help but notice how beautiful she was, and, without being too soppy, realized I wanted to be with her. Which I have been, for two years now! Who'd have thought I'd find love at a strip club? I certainly didn't, but I realize I'm one lucky fucker, which is why I'm writing in to you!

FILM PHWO

FOUR OF THE BEST FOR LOVERS OF
OLDER BOLDER WOMEN!

Mucky MILFs!

Cheating Housewives Go Black

Released by: Pumpkin Media

Starring: Tarra White, Cherry Jul, Sunny Jay, Hrisanta, Kimberly

BEST BITS: We love grot, we love interracial porn and we love MILFs, so we'd ticked three boxes before we inserted the disc! The threesome between Cherry Jul and Hrisanta is almost perfect: the two blondes sharing their man's huge schlong really is a sight to behold, especially when both their lips are wrapped around it! But we reckon the gold medal should go to Kimberly (pictured), for her outstanding contribution to this flick – Tommy Steel is notoriously well-built, and she goes crazy for it, wanking and nibbling at his hard-on before he's even got it out of his pants!

WORST BITS: Most of the stars barely make the MILF grade in our book – they are too young. We shouldn't complain, but we've gotta be strict!

DVD FEATURES: Trailers.

3.5/5

The Shadow Of A MILF

Released by: Harmony Films

Starring: Cathy Heaven, Jasmine Jae, Valerie Fox, Holly Kiss, Eva May

BEST BITS: With infamous director Kendo at the helm there's a distinctly dark and edgy feel to this movie. Despite each scenario having its own story, and no clunky dialogue to get in the way, the sex seems more intense and the chemistry clear. Although all the actresses give commendable performances – and every single one of them is sexy as fuck – it's Cathy Heaven (below right) who really stands out. As well as taking on two dicks and a dildo at once, she still manages to look beautiful and, well, classy – something that should continue to skyrocket her career. Holly Kiss gives her usual high-energy performance, sucking a prick off like there's no tomorrow, before shoving it in her sopping pussy and banging it to hell!

WORST BITS: Sometimes a bit of build-up (with chat!) makes for a better scene.

DVD FEATURES: Cumshot recap, photo gallery, trailers.

4.5/5

OOOAAAR!

Stuffed MILFs 2

Released by: The Score Group
Starring: Sindi Star, Tori Baker, Ginny May, Tracy Tello, Gina Rome, Natasha

BEST BITS: If you like your MILFs a little older but still sexy, look no further. These are women who have experience – and that definitely shows! Sindi Star is vivacious and bubbly and her enthusiasm for the dicking she receives is only matched by her love of the spunking she gets, all over pretty face. The

deep-throat award goes to Tracy Tello (below): the stocking-clad redhead swallowed her man's meat like a pro – you wouldn't know it was her first time on camera. We also really enjoyed the fantasy aspect of the closer: Tori Baker is an assistant in a lingerie boutique who invites a male customer to the back of the shop... And fucks him senseless on a sofa! Great stuff!

4/5

WORST BITS: We found it almost impossible to ignore Sindi Star's awful boob job, but that's a minor gripe...

DVD FEATURES: Bonus footage, 'How to be a Score Model', trailers.

This Ain't Cougar Town XXX

Released by: Hustler Video
Starring: Dylan Ryder, Tory Lane, Phoenix Marie, Emma Mae

BEST BITS: A glossy affair with impressive cast names. Phoenix Marie's scene is, without doubt, the best of the five – we nearly came on the spot when the sloppy blowie she's giving turns to a deep-throat down to the balls – and

that's before she has his fingers, tongue, then cock in her ass and she takes his man-juice in her mouth. Whatta gal!

WORST BITS: The format and storyline are confusing; flashbacks disrupt the flow of the film and make it seem disjointed. Some overlong edits too.

DVD FEATURES: Photo gallery, BTS, Select A Star feature.
